Dear student:

Congrats on having been nominated by your institution to come to Universidad Autónoma Madrid (UAM) - at Superior Polytechnic School (EPS)! This is obviously good news. But, as you know, you still have a few more steps to take.

BEFORE YOU ARRIVE, THERE ARE TWO IMPORTANT STEPS YOU DO ASAP.

1) Online Application Form for Admission

   a. **First**, you must register at the UAM here:
      https://secretariavirtual.uam.es/Navegacion/InicioRegistro.movilidad.html
   b. **Second**, you must complete the online application here:
      https://secretariavirtual.uam.es/Navegacion/InicioAdmision.html

   **Deadlines**
   i. 1st semester and full academic year: **from 15th of May to 15th of June**
      **Important: Due to Covid-19, the on-line application deadline has been extended until the 30th June 2020**
   ii. Deadline 2nd semester: any time before 1st of October – 31 October

2) Learning Agreement for Course Registration

   a. Email your Learning Agreement to ori.eps@uam.es signed by you and your mobility coordinator at your home university.

   **Deadlines**
   i. 1st semester and full academic year: **before 30th of June.**
      **Important: Due to Covid-19, the on-line application deadline has been extended until the 15th July 2020**
   ii. 2nd semester: any time until the 30rd of November
   c. There are **limited** places for incoming students in our courses and reservations are made on a **first come basis**. Therefore, we **highly** recommend you sending your learning agreement ASAP.
   d. If we do not receive your Learning Agreement proposal **before the deadline** with this information, we **CANNOT** guarantee a place in the courses you want.
IMPORTANT INFORMATION FOR CHOOSING COURSES

The academic calendar is:

http://www.uam.es/ss/Satellite/es/1234886368828/1234886369299/generico/generico/Calendarios_Academicos.htm

The schedules are published:

Courses are organized by degree:

- Computer Science Engineering (Grado en Ingeniería Informática): 4 years, 240 credits.
- Telecommunication Technology and Service Engineering (Grado en Ingeniería de Tecnologías y Servicios de Telecomunicación): 4 years, 240 credits.
- Double - Computer Engineering & Mathematics: 5 years, 360 credits.

Bachelor’s degrees usually have four years. However, you can take any course from any year and degree from the Superior Polytechnic School (upon availability). You MUST check the groups and weekly schedules for each course because it is possible that some courses are overlapped. Some degrees have only one group, but others have up to four groups.

To find the course syllabus, groups and schedules follow this path:

1) Go the main page of the Superior Polytechnic School:
   http://www.eps.uam.es/
2) On the left hand side of the page, click on Estudios and then choose the degree you want.
3) You can find the full academic syllabus / and timetable by clicking on Guías Docentes.
4) Also you can find the groups and schedules by clicking on Horarios y Aulas.
   a. Note: Group numbers have three digits. The first digit stands for the degree, the second is the course year (1-4), the third digit means if the groups has morning classes (1 and 2) or afternoon classes (6 and 7).

IMPORTANT: The Learning agreement must be filled with CODE, GROUP and NAME of the courses you want to take.
MASTER’S COURSES

If you want to attend Master’s degree courses at UAM, we need to ask for your admission to the Master Coordinator. Please send us the following documents in addition to your learning agreement.

1) Curriculum vitae/resume/CV
2) Transcript of records
3) A statement of purpose.

RESEARCH PROJECTS

For doing an internship you should contact directly with the researchers, just in case they are interested and have an offer. You will find more information regarding their research topics here:

https://www.uam.es/EPS/GruposInvAreas/1446781024492.htm?language=es&nodepath=Grupos%20de%20Investigaci%20e%20Conocimiento&pid=1242660766394

COURSES FROM OTHER FACULTIES

It is also possible to take some courses from other Faculties, but at least 51% of your course credits must be from the Superior Polytechnic School. The admission and enrolment process for these courses is different for each faculty. We CANNOT guarantee you a place in any course that is not from the Superior Polytechnic School.

AFTER LEARNING AGREEMENT APPROVAL

Once we have received and approved your Learning Agreement proposal we will send you the signed learning agreement, an acceptance letter and additional information about the enrolment process, Spanish courses, etc...

Should you have any questions, feel free to check our exchange students information page, or get in touch with us through this email.

IMPORTANT INFORMATION - from 21 APRIL 2020
Currently, due to the health crisis caused by Covid-19, it is not possible to foresee what the situation will be in September 2020 and to confirm that the on-site teaching will be resumed by then.

For this reason, we recommend that students nominated to study at UAM from September onwards, check periodically the up-dated information that will be published on this website, as well as the information that will be sent by e-mail to students and partner universities. We also recommend not making any mobility-related expenses (airline tickets, accommodation, etc.) yet.

From the International Relations and Mobility Service, we send you our best wishes and look forward to welcoming you at UAM soon.

HOUSING INFORMATION

You can find information about halls of residence:

The Reception Office also offers guidance on housing.

SPANISH COURSES

The UAM gives Erasmus students the opportunity to study Spanish.

For further information, please contact servicio idiomas@uam.es or click here:

INCOMING STUDENTS:

SYLLABUS:

Kind regards,

PS. In these circumstances we recommend the nominated students visit regularly the webpage
