

Announcement: Post-Doc Research Position in Ancient Greek Dialects

HERA Project on "Dialect Contacts and Dialect Levelling in Ancient Northern Greece"

The Committee composed by Dr. L. Conti (UAM), Prof. E. Crespo (UAM) and Prof. G. K. Giannakis (Aristotle University of Thessaloniki), in charge of the selection of the Post-Doc Researcher for the position in "Ancient Greek Dialects", is pleased to communicate the following evaluation of the candidates' applications:

Dr. R. Crellin: 87 points out of 100

Dr. P. Guijarro Ruano: 91 points out of 100

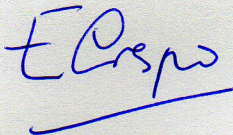

Dr. E. Nieto Izquierdo: 95 points out of 100

Dr. M. J. C. Scarborough: 85 points out of 100.

The Committee will contact Dr. Nieto Izquierdo to offer the job under the conditions announced in the advertisement published by EURAXESS Id: 159547. In case Dr Nieto Izquierdo does not accept the above conditions, the Committee will contact the second candidate with the highest number of points to offer the job under the conditions stated above, and so successively if necessary.

Madrid, 13th of January, 2017

For the Committee

Prof. E. Crespo
