Declaration of responsibility on the compliance with health risk  
prevention requirements because of the COVID-19 pandemic

**On behalf of the receiving organization:**

**I hereby declare that**

1. The student \_\_\_\_\_ is authorized to enter and use the facilities of the receiving organization to comply with the programme of the traineeship described in the traineeship agreement.
2. The receiving organization/enterprise meets the requirements of the safety at work place regulations and it has adopted the appropriate measures to address the risks arising from the SARS-CoV-2, and those measures apply to students who perform traineeships in its facilities.
3. Prior to the start of the traineeship, the student will be informed and given training on the risks inherent to his/her activity and on the protection measures he/she has to adopt, with special attention to the indications and recommendations of the health authorities related to COVID-19.
4. The student will be provided with the individual personal protection material necessary to minimize the risk of contagion of SARS-CoV-2.
5. The traineeship must not be carried out in case the student shows symptoms compatible with COVID-19, has been diagnosed with the disease and has not completed the period of isolation required by the health authorities, or he/she is in a period of home quarantine because he/she has had close contact with someone with symptoms or who has been diagnosed with COVID-19.
6. The receiving organization can document the information provided in this declaration to the Universidad Autónoma de Madrid upon request, it undertakes to update UAM in the event of any changes.
