

II IBERIAN PRIMATOLOGICAL CONFERENCE

“On the behaviour of primates: ecology, evolution, and conservation”

Scientific Programme

VIII Congreso de la Asociación Primatológica Española (APE)
IV Congresso de la Associação Portuguesa de Primatologia (APP)

Miraflores de la Sierra, Madrid
September 30, October 1-2, 2009

www.uam.es/ape

Organization:

Organizing committee

APE: Joana Branco, Lorenzo Braschi, José Manuel Caperos, Ana Fidalgo, Carlos Gil Burmann, Yvan Lledo-Ferrer, Ángela Loeches Alonso, Agustín López Goya, Marisa Mariñán, Ana Morcillo

APP: Fatima Almeida, Catarina Casanova, Filipa Soares, Cláudia Sousa

Scientific committee

APE: Ana Fidalgo de las Heras, Carlos Gil Burmann, Ángela Loeches, Ana Morcillo

APP: Catarina Casanova, Cláudia Sousa, Luis Vicente

Financial committee

Ana Fidalgo de las Heras

Wednesday, September 30

14.30-16h. Reception desk. Site: FAUNIA Park.

16-17h. - Opening session: APE and APP presidents, and a Faunia representative.
- Ceremony in honour of Dr. Sabater Pi
- Book presentation: "Directrices internacionales para la adquisición, cuidado y reproducción de primates no-humanos".

17-18.20h. **Karl Grammer**

University of Vienna, Austria.

Plenary talk: *The Evolution of Love: Why are we Sometimes Nice People?*

19-20h Transfer to Cristalera, Miraflores de la Sierra.
Arrival and accommodation in the Cristalera.

21.00h. Welcome Cocktail.

Tuesday, October 1

8.30-9.00h. Reception desk. Site: Cristalera.

9.00-9.30h. Welcome: APE and APP presidents, and Miraflores de la Sierra Mayor.

Chair: Catarina Casanova

9.30-9.50h. Oral Presentation: Braschi & Gil Burmann

Talk title: Non Regression Models of Homosexual Men and Women Partner Age Preferences.

9.50-10.10h. Oral Presentation: Daniel, Santos, Vaughn & Peceguina

Talk title: A Statistical Modeling Approach to the Occurrence of In-group Bias in Preschool Affiliative Networks.

10.10-10.30h. Oral Presentation: Minhós, Sousa, Vicente & Bruford

Talk title: Effect of the Social System on the Behavioural Patterns of two *Colobine* Species in Guinea Bissau.

10.30-10.50h. Oral Presentation: Almeida & Casanova

Talk title: What does it mean to be FRIENDS amongst Guinea Baboons (*Papio hamadryas papio*)?

10.50-11.20h. Coffee-break

Chair: Carlos Gil Burmann

11.20-12.40h. **P.C. Lee**

Department of Psychology, University of Stirling, Scotland (UK)

Plenary talk: *Reproductive Energetics in Primates: How Costly are Babies?*

12.40-13.00h. Oral Presentation: Caperos, Sánchez, Peláez, Fidalgo & Morcillo

Talk title: Parent-infant Conflict in Feeding Contexts in Cotton Top Tamarins (*Saguinus oedipus*).

13.00-13.20h. Oral Presentation: Polo, Colmenares & Lloreda

Talk title: Group Size, Sex Ratio, Length of Interbirth Interval and Female Reproductive Success in a Harem-forming Colony of Baboons (*Papio hamadryas*).

13.20-13.40h. Oral Presentation: Daniel, Santos & Cruz

Talk title: Reconciliation and Post-conflict Anxiety in Brown Capuchins.

13.40-14.10 Poster session.

14.10-15.30h.

Lunch

Chair: Jose Manuel Caperos

15.30-16.50h. **G. Anzenberger.**

Anthropological Institute and Museum, University of Zürich,
Switzerland

Plenary talk: *Paternal Behaviour in New World Monkeys.*

16.50-17.10h. Oral Presentation: Marín & Call

Talk title: Spontaneous and Flexible Use of Tools as Straws by
Orangutans.

17.10-17.30h. Oral Presentation: Sebastian, Colmenares, Mendes & Call

Talk title: Orangutans insightfully solve a cognitively more
demanding version of the water-as-a-tool task.

17.30-18h.

Coffee-break

Chair: Yvan Lledo-Ferrer

18-18.20h. Oral Presentation: Sousa y Matsuzawa

Talk title: Acquisition Patterns and Handedness in the Use of
Leaves for Drinking Water by Wild Chimpanzees (*Pan troglodytes*
verus).

18.20-18.40h. Oral Presentation: Llorente, Riba, Mosquera, Fabré & Feliu

Talk title: Functional Asymmetry in 58 Spontaneous Actions in
Naturalistic Housed Chimpanzees from the Mona Foundation
(Spain).

18.40-19.00h. Oral Presentation: Llorente, Palou, Carrasco, Riba,
Mosquera, Collel, Fabre & Feliú

Talk title: Population-level Right Handedness for a Coordinated
Bimanual Task in Naturalistic Housed Chimpanzees: Replication
and Extension in 114 animals from Zambia and Spain.

19-19.30 Poster session.

20.30h.

Dinner

Friday, October 2

Chair: Yvan Lledo-Ferrer

9.00-9.20h. Oral Presentation: Casanova & Sousa

Talk title: Non Human-Primate Conservation in Guinea-Bissau.

9.20-9.40h. Oral Presentation: Serangonha, Casanova, Sousa & Costa

Talk title: Perceptions of Fauna Conservation by the Nalus: the Case of the Cantanhez National Park (Guinea-Bissau, West Africa).

9.40-10.00h. Oral Presentation: Costa, Lee & Casanova

Talk title: Women's Role in Wildlife Protection: the Case of Cantanhez Natural Park (Guinea-Bissau, West Africa).

10.00-10.20h. Oral Presentation: Ferreira, Godinho, Casanova & Bruford

Talk title: Possible Implications of Hunting Pressure in the Population Genetic Structure and Breeding Groups of Guinea Baboons (*Papio hamadryas papio*) in Guinea-Bissau.

10.20-10.50 Poster session.

10.50-11.20h.

Coffee-break

Chair: Cláudia Sousa

11.20-12.40h. **M. W. Bruford**

School of Biosciences, Cardiff University, Cardiff, Wales, UK.

Plenary talk: *Process-based Conservation Genetics for Primate Species Survival*

12.40-13.00h. Oral Presentation: Luna & Link

Talk title: Behavior, ecology and conservation of brown spider monkeys (*Ateles hybridus*) in Colombia.

13.00-13.20h. Oral Presentation: Carmo & Casanova

Talk title: Social Behaviour and Organization in a Bachelor Group of Red-bellied Lemurs (*Eulemur rubriventer*) in Captivity: Conservation Implications.

13.20-13.40h. Oral Presentation: Fernández Lázaro & Gil Burmann

Talk title: Influence of Public on Lemurs Behaviour (*Lemur catta* and *Eulemur fulvus albifrons*).

13.40-15.00h.

Lunch

Chair: Lorenzo Braschi

15.00-15.20h.

Oral Presentation: de la Iglesia, Gil Burmann & Bravo
Talk title: Behaviour and Activity Patterns of the Black Howler Monkey (*Alouatta pigra*) in the Reserva de la Biosfera de Calakmul, Mexico.

15.20-15.40h.

Oral Presentation: Lledo-Ferrer, Heymann, Gil Burmann & Peláez
Talk title: Border Marking in Wild Saddle-back Tamarins: Defending Resources or Looking for Partners?

15.40-16.00h.

Oral Presentation: Pascual-Garrido, Allon, Schöning & Sommer
Talk title: Army Ant Consumption by Nigerian Chimpanzees: Constraints of Prey Ecology and Ape Harvesting Strategies.

16.00-16.20h.

Oral Presentation: Sá, Petrasova, Pomajbíková, et al.
Talk title: Parasite Prevalence and Richness on the Chimpanzees in Cantanhez National Park, Guinea-Bissau.

16.20-16.40h.

Oral Presentation: Sousa, Barata, Casanova, Vicente & Sousa
Talk title: Nesting Spatial Patterns and Oil Palm Use in Cantanhez and Cufada, Southern Guinea Bissau.

16.40-17.10h.

Coffee-break

Chair: Carlos Gil Burmann

17.10-18.30h.

K. B. Strier.

Department of Anthropology, University of Wisconsin-Madison, USA

Plenary talk: *Longitudinal Perspectives on Primate Life Histories and their Implications for Conservation*

18.30-20.00h.

APE meeting.

20.30h.

Farewell Dinner
