WHEREAS

A. The Parties have been involved in the running of a successful exchange arrangement for a number of years, which entitles the students to enjoy a semester or year abroad with the partner institution. With the United Kingdom’s departure from the Erasmus+ scheme the parties have agreed that they will need to formalise the arrangements that have existed under the Erasmus+ Scheme previously. They wish to do this by entering into and signing the present Agreement which shall consolidate and oversee any heads of terms, memorandum of understanding or other document which the Parties may have signed in relation to the Programme.

B. With the above statement in mind the Parties wish establish a reciprocal student exchange programme Agreement to enable full-time students of the Home Institution to study at the Host Institution for a period of a semester or an Academic Year.

OPERATIVE PROVISIONS

1. Interpretation

1.1 For the purposes of this Agreement, the following definitions shall apply:

“Academic Year” means the academic year of Exeter and UAM as published from time to time.

"Agreement" means this agreement and the Schedule(s) attached hereto which shall be deemed to form a part of this Agreement.

“Confidential Information” means any and all materials and information of or relating to a Party constituting or concerning products, services, contracts, business models, methods or practices, financial projections or results, know how, trade secrets, intellectual property or ideas which, at the time or times concerned, are not generally known to third persons and such other information as may be
proprietary or confidential in nature or is identified by such Party as confidential.

“Effective Date” means the date of final signature on this Agreement

“Enrolment/Enrolled” means students who have completed Exeter's or UAM's registration process. University Registration at Exeter is the process by which students agree to Exeter’s current regulations and is a requirement for all students at the start of their studies in each academic year.

“Exchange Programme(s)” means reciprocal student exchange programme(s) to enable full-time students of the Home Institution to study at the Host Institution as set out in the Schedule(s). Where more than one Exchange Programme operates between the Parties under this Agreement, a separate Schedule will set out the specific arrangements for each Exchange Programme and will be appended to this Agreement.

“Home Institution” means the institution from which a Student is sent under an Exchange Programme.

“Host Institution” means the institution which has agreed to receive a student from his or her Home Institution under an Exchange Programme.

“Intellectual Property” means all intellectual and proprietary works including all patents, know-how, registered and unregistered trademarks and service marks (including any trade, brand or business names), domain names, registered designs, design rights, utility models, copyright (including all such rights in computer software and any databases), trade secrets, Confidential Information, moral rights, database rights, topography rights (in each case the full period thereof and all extensions and renewals thereof), all rights in any of the foregoing, applications for any of the foregoing and the right to apply for any of the foregoing in any part of the world and any similar rights situated in any country.
“Liaison Officer” means a named officer with responsibility as set out in Clause 12.

“Students” means students of Exeter or UAM enrolled at either institution and participating in an Exchange Programme.

2. **Commencement and Duration**

2.1 The Agreement will commence on the Effective Date and the Exchange Programme(s) will begin in the Academic Year as set out in the relevant Schedule.

2.2 The Agreement will continue for a period of four (4) years from the Effective Date and will then automatically expire unless renewed or extended with mutual consent and in accordance with clause 23.1, or terminated in accordance with clause 15.

3. **Number of Students**

3.1 The number of Students eligible to participate in the Exchange Programme(s) is identified in the relevant Schedule(s). Subject to the written agreement of both Parties these may be increased at one or both institutions in any Academic Year.

3.2 Every effort will be made by each institution to keep the number of Students from each institution balanced over any four year period, unless specifically set out in the Schedule(s) or as otherwise agreed in writing. In considering whether an Exchange Programme is balanced, two Students enrolling for one semester will be deemed equivalent to one Student for one Academic Year unless otherwise set out in the Schedule(s).

3.3 The Parties recognise that the number of exchange places may change over the lifetime of the contract and therefore changes to the number of Students listed in the Schedule, does not require the agreement to be formally amended, but can be done by mutual agreement between the Parties.

5.2 Students will normally have completed at least one year of academic study (60 ECTS) at their Home Institution and will, in all cases (or unless otherwise agreed), be expected to meet the minimum academic and linguistic requirements set out in the Schedule(s) for the relevant Exchange Programme.

5.3 The Host Institution reserves the right to determine the final admission eligibility of each Student nominated by the Home Institution, unless as otherwise set out to a particular Exchange Programme as set out in the Schedule(s).

5.4 The student status and level of study will be as set out in the Schedule(s) for the relevant Exchange Programme(s).
5.5 In addition to the linguistic criteria set out in the Schedule(s) as required for the Exchange Programme(s), the UK national immigration legislation may require specific linguistic requirements for visa purposes, and these may vary depending on the length of study in the UK.

6 Responsibilities of Host Institution

6.1 The Host Institution will provide those Students selected to participate in the Exchange Programme(s) with formal letters of admission and such other documents as may be required to establish their student status for visa and other purposes.

6.7 Upon completion of the agreed period of study, subject to the Host Institution having received payment in full of any amounts owed to it by the individual exchange Student, the Host Institution will send an official academic transcript for each Student to the appropriate office of the Home Institution.

6.8 The Host Institution will assist the Student(s) from the Home Institution to settle readily into life in the host environment by providing pre-arrival information and a post-arrival orientation programme.

6.9 Each Host Institution will nominate a contact person within the relevant College, Department or Division who will provide advisory and tutorial support to Students.

6.10 The Host Institution will provide the Home Institution and participating Students with details of any additional mandatory costs the Student(s) are required to pay as part of the Exchange Programme(s), prior to the Student(s) participating in the Exchange Programme(s).

6.11 Each Party is subject to quality assurance regulations as follows and hereby agrees to comply with and demonstrate sufficient quality standards, appropriate for the Exchange Programme(s) on which the Students from the other Party are registered:

Exeter is subject to: UK Quality Assurance Agency audits, and maintains quality assurance codes of practice and procedures for evaluating and maintaining the academic standards of its programmes. Exeter’s codes of practice and procedures for these monitoring and review

8. Student Responsibilities and Conduct

8.1 Students will be expected to abide by the laws and customs of the host country, and abide by the policies and regulations of the Host Institution whilst attending the Host Institution. Each Party reserves the right to terminate the participation of any Student on an Exchange Programme with immediate effect in the event of a serious breach of such rules and regulations, including any failure by a Student to comply with the relevant institution’s normal enrolment procedures. The rules and regulations applicable to all students at Exeter are set out on Exeter’s website: https://www.exeter.ac.uk/staff/policies/calendar/part1/ and UAM’s rules and regulations are set out on the UAM website: https://www.uam.es/uam/internacional/oficina-acogida-internacional, https://www.uam.es/uam/internacional/normativa-movilidad-entrante and in the latest factsheet: https://www.uam.es/uam/media/doc/1606851974487/httpswww.uam.esuammediadoc1606851974487uam-factsheet-en.pdf. All this information will be made available to Students on arrival.

8.2 Students will have the same academic, social and personal rights as those afforded to students at the Host Institution.

8.3 For the avoidance of doubt, Students shall be entitled to register complaints with both the Home Institution and the Host Institution. Complaints of a serious nature shall be notified by the Host Institution to the Home Institution as a matter of urgency.

8.4 Students will be required to apply for, meet the cost of and secure their own visas for study at the Host Institution. The Parties agree they will record the requirements for visas within Schedule 1 of this agreement, which can be provided to Student who require it.

10. **Costs**

10.1 For the Academic Year in which a Student is participating in an Exchange Programme the Student will pay any applicable tuition fees to the Home Institution. Any tuition fees chargeable by the Host Institution shall be waived. Any other fees charged by the Host Institution will be payable by the Student directly to the Host Institution.

10.2 Students will be responsible for paying all personal expenses including but not limited to visa, housing, meals, books, sports activities, travel and health insurance and all travel costs and all medical expenses and vaccinations. Neither institution shall be held liable for any such charges.

10.3 The present agreement involves no financial obligations for neither party. In the case of UAM, if it were to provide its students with a travel and accident insurance, this cost will be charged to the corresponding annual budget, within the Program 422C of UAM’s International Relations.

11. **Other Matters**

11.1 If a Student withdraws early from the Host Institution, the Host Institution will inform promptly the Home Institution.

11.2 Students will be responsible for obtaining their own visas and completing the required immigration formalities. The Host Institution will assist in accordance with clause 6.1.

12. **Liaison Officers**

Each Party shall nominate a Liaison Officer as the primary contact for the oversight of the management and delivery of the Exchange Programme at an institutional level. In addition, a Party may wish to nominate Faculty/Department level co-ordinators as primary contacts for the management and delivery of the Exchange Programme at a programme level. The Liaison Officers and any nominated Exchange Co-ordinators for this Agreement are set out in the Schedule. No individual named in the Schedule will have authority to vary the terms of this Agreement unless they are the person expressly stated by their party to have such authority.

**Student Visa:**
www.exeter.ac.uk/students/international/applyingforavisa/studentvisas/

A Student Visa is essential if a student is planning to work during their studies or are considering 2 semesters of study.

As the University of Exeter is a UKVI Student Sponsor license holder students who are required to or wish to choose to apply for the Student Visa must submit an official English language qualification which demonstrates the minimum requirement is met. This is a requirement of the Student Visa application.

**Visitor Visa:**
www.exeter.ac.uk/students/international/applyingforavisa/visitorvisas/

The Visitor visa is a 6-month maximum visa that can be used for short periods of study in the UK. This visa cannot be extended, and work is prohibited (with the exception of students on medical electives).
Credit-mobility students entering the UK on a Visitor Visa will be exempt from the English Language requirements above if the following requirements are met:

- The student studies at a Partner Institution for which we hold a formal Student Exchange Agreement whereby English is the language of instruction; the student supplies and meets criteria of all other supporting documentation as defined on the Study Abroad webpages, OR
- The student is a speaker of English who has taken their education entirely in the medium of English and can demonstrate that they have successfully completed the whole of their secondary education up to and including the equivalent of year twelve in one of the countries on the UKVI list of recognised countries but who are not entitled to an automatic waiver under UKVI guidance as they are not a national of those countries, OR
- The student is able to evidence in the last 7 years via an ‘Other’ accepted test e.g., Singapore O levels, that they meet the necessary minima (including phone interview if required) and they can demonstrate through their application that they have continued to study in an English medium. Students planning to take modules from across different departments will normally need to satisfy the higher of any linguistic minima required; for example, students taking one English module and two Archaeology modules will need the higher grade of IELTS 7.0 or equivalent, as defined above.

For the Visitor Visa, the University of Exeter English language proficiency form must be completed by the home university confirming the student has the required level of English to study at a British university. Other documents will not be accepted.

#### UAM

To be admitted to the UAM as a student, you must provide proof of having medical and accident insurance that offers you coverage in Spanish territory during the period of your stay  
(Primary care and hospital emergencies at least)
To apply for the visa for Spain or the Foreigner Identification Card (TIE) for the first time and subsequently renew it, you must provide a certificate of having contracted medical and accident insurance, which covers at least primary care and hospital emergencies. There are several insurance companies that offer policies and meet these requirements, with different prices and therefore with different medical coverage. The International Reception Office can provide you with information about some companies: Oficina.acogida@uam.es
