Essential tasks

Institutional email:

name.surname@estudiante.uam.es

You can activate it by following the steps at www.uam.es/id

If you have any problem, you should contact the UAM's IT Department: cau@uam.es

You can redirect it to another email account, but it is very important that you check it regularly. Everyone from the UAM will write to you there.

Also, it is necessary for using MOODLE, SIGMA and the WIFI.

Requesting changes in the Learning Agreement:

At the beginning of each semester, we open a period of ten days for changes. You should send them signed to ori.ciencias@uam.es

Always using the document "Changes in the Learning Agreement"

Useful applications

technological innovation
for universities

SIGMA: Is the **administrative** management tool

When you arrive at our Faculty you are already enrolled in the courses and groups stated on your Learning Agreement, so you may check them in Sigma by clicking “Matrícula” on the left menu.

Also, you should confirm your timetable in Sigma by clicking “Publicación Horaria” on the left menu. This step is mandatory to complete a correct course selection avoiding overlaps between classes.

Moodle:

Please activate your account with your student email as user name.

Is the virtual campus and is managed directly by the **professors**. There you will find:

- Academic guide or syllabus
- Additional teaching materials
- Dates of evaluation
- Grades

Schedules and classrooms

Where is my classroom?
