

Challenges and Opportunities in Latin America

An event has been organized to mark the end of the academic course 2020-21. As you have decided, the event will focus on Latin America.

Experts will share with us their impressions on the changes which are taking place in Latin America as a result of political and economic processes, as well as the COVID-19 pandemic. Political Participation, Public Administration and Public Policies in Latin America will be discussed in a broad perspective, with special attention to current challenges and opportunities.

We invite you all to this event, which will take place in Centro Cultural La Corrala (C/ Carlos Arniches, 3, 28005 Madrid) on 26 May from 17:00 to 20:00. Please confirm your attendance [on this link](#).
