

## Target Group

Taught entirely in English, this short-term programme attracts highly-motivated **Bachelor and first-year Master students\*** enrolled in non-finance programmes from all over the world who are pursuing to sharpen their banking and financial skills in Frankfurt am Main, one of the leading financial centres in Europe.

During two weeks, participants will have the chance to get an insightful overview on the latest developments and trends in the field of Banking and Finance from a European perspective. The programme combines classroom sessions, bank visits, cultural activities and – as the name betrays- some optional sport activities. Upon completion of the course, students will receive a certification equivalent to **5 or 7.5 ECTS**(for 7.5 ECTS an additional essay is required).

\* The minimum age requirement to register is 18 years old.
