# About icn business school

METZ  
FRANCE

- Metz is a city of water, as the Moselle river runs close to its center.
- Metz is a garden city, with parks and other green areas penetrating the city center. Its 470 hectares of green spaces make Metz one of France's most floral cities.
- Metz is also a city where the many pedestrian zones create a pleasant environment to live in.
- Metz is a city of art. The *Centre Pompidou*, for example, is a renowned center hosting exhibitions of the prestigious collections from the National Gallery of Modern Art (*Musée National d'Art Moderne*) which attracts visitors from all over Europe.
- The ICN campus is located at the Metz Business Park (*Technopôle de Metz*), which has attracted numerous French and international companies to set up there, along with a number of other Graduate Schools (SUPELEC, Georgia Tech, ENSAM, etc.).
- The Metz Métropole Enterprise Center (*Maison de l'Entreprise*), dedicated to entrepreneurship, is located at the heart of the ICN campus.

- Nancy is above all a city of and for students. It is a welcoming and dynamic city with 48 000 students.
- Throughout the year more than 200 shows, concerts, exhibitions, operas, theatre performances and other events fill the Nancy calendar and all at very affordable prices for students.
- Nancy also has a very lively city center with pedestrian areas bustling with activity. For those who seek a calmer, greener area, the city possesses one of the biggest natural city-center parks in France, *'la Pépinière'*.
- Nancy is a city with a rich historical legacy, due, to a large extent, to Stanislas Leszczynski, King of Poland, who endowed Nancy with the beautiful architecture of sites such as the Place Stanislas, the Place Carrière, the Place d'Alliance, and the Governor's Palace (*Palais du Gouverneur*). All these sites are listed heritage sites in the UNESCO World Heritage.
- The ICN Business School campus is located 10 minutes walk from the city center and the main SNCF railway station. The Artem campus is only 15 minutes by tram from the city center.

NUREMBERG  
GERMANY

- Nuremberg, with more than half a million inhabitants, is the second largest city in Bavaria and the capital of Franconia, a region of Germany which combines history, nature, architecture and a host of cultural events.
- Its charm as a picturesque medieval city, its modern character and its dynamic economy, industry and technology make Nuremberg one of the most important cities in the south of Germany.
- The ICN campus is close to Nuremberg's historic center and easily accessible on foot, thus making it easy for students to enjoy the city's many attractions, particularly, at the end of the year, its famous Christmas market.
