

RAMÓN ARECES FOUNDATION SCHOLARSHIP APPLICATION FORM FOR THE MASTER'S DEGREES OF THE UAM'S POSTGRADUATE PROGRAMME IN MOLECULAR BIOSCIENCES.

Master in Biomolecules and Cell Dynamics

Master in Biotechnology

Master in Molecular Biomedicine.

This form should be completely filled and sent by email, attaching the documents requested below to:

-Master in Biomolecules and Cell Dynamics or Master in Biotechnology:

anabelen.perez@uam.es

-Master in Molecular Biomedicine:

administracion.bioquimica@uam.es

APPLICANT DATA

-Master of the Molecular Biosciences Programme in which the applicant has been admitted:

-Name and surname:

-Full address (including zip code):

-Landline phone number:

-Mobile phone number:

-E-mail:

-NIF number (in case of foreign students, enter the NIE and its validity date. Proposal will not be accepted without this data):

-Date of birth:

-Studies performed:

-Faculty and University:

-University degree:

-Average grade of academic records (in case of degrees obtained in Spain, the grades must be set in the scale of 0 to 10 and the average grade of their promotion must be provided. In case of degrees carried out partially or totally abroad, they must also attach the Spanish equivalence of the grades obtained through the platform of the Ministerio de Educación y Formación Profesional):

-Level of English proficiency (e.g., B2, C1, etc) (not necessary if English is the applicant's native language):

-**Level of Spanish proficiency** (e.g., B2, C1, etc) (not necessary if Spanish is the applicant's native language):

-**Professional and research experience** (including stays in laboratories and/or companies with activities related to Molecular Biosciences, participation in Scientific Congresses, Scientific Papers co-authoring, Scientific Dissemination Work, etc):

DOCUMENTS TO BE PROVIDED BY THE APPLICANT TOGETHER WITH THE APPLICATION FORM

Documents should be written in Spanish or English and submitted in PDF format.

-**Copy of the Academic Certificate**, which includes all the passed subjects, the obtained grades, the Academic Course and the average grade of Academic record. The certificate must express that the set of subjects and credits taken constitute the Bachelor's Degree or its equivalent and that the applicant is entitled to access to Master's studies.

-**Copy of the English level official certificate** (e.g., B2, C1, etc.) (not necessary if English is the applicant's native language):

-**Copy of the Spanish level official certificate** (e.g., B2, C1, etc.) (not necessary if Spanish is the applicant's native language):

-In case of Degrees carried out partially or totally abroad, provide the **document of the equivalence of the grades to the Spanish System** that can be obtained through the platform of the Ministerio de Educación y Formación Profesional.

-**Applicant's Curriculum vitae** (free-format).

-**Justification payment of the Master's registration** or, for applicants in the second admission term to the Master in Biomolecules and Cell Dynamics or Master in Biotechnology, written proof of the application for admission in the second term.

For any clarification, kindly write to:

-**Master in Biomolecules and Cell Dynamics or Master in Biotechnology:**
anabelen.perez@uam.es

-**Master in Molecular Biomedicine:**
administracion.bioquimica@uam.es
