

13th Organic Chemistry Day at UAM

October 17, 2025, 10:00h
**SALÓN DE ACTOS Escuela Politécnica
Superior, UAM**

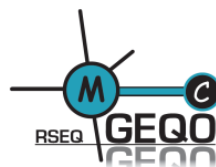

Prof. Roman Fasel (University of Bern)

Prof. Fernando Cossío (University of the Basque Country)

Prof. Annemieke Madder (University of Ghent)

Prof. Thorsten Bach (Technical University of Munich)

Chairmen: Tomás Torres and Javier Adrio

PROGRAMME

10-10:15 h: Opening Ceremony: Welcome by Tomás Torres and Javier Adrio

10:15-11:15 h: *UAM Lecture:* Chairman, Tomás Torres

Prof. Roman Fasel (University of Bern)

Molecules in flatland

11:15-11:45h: Coffee break

11:45-12:45 h: *Lilly Lecture:* Chairman, Alejandra Riesco

Prof. Fernando Cossío (University of Basque Country)

Aromatic Bicolor Fluorescent Sensors: from Particle Physics to Medicinal Chemistry

12:45-15:00h: Lunch

15:00-16:00h: *GalChimia lecture:* Chairman, Elena Sandoval

Prof. Annemieke Madder (University of Ghent)

Specificity requires size: From small peptides to large proteins to gigantic bioconjugates for targeted delivery

16:00-17:00h:

Prof. Thorsten Bach (Technical University of Munich)

Chirality and Light: Enantioselective Catalysis of Photochemical Reactions
