

14th Organic Chemistry Day at UAM

October 9, 2026, 10:00h

SALÓN DE ACTOS Escuela Politécnica
Superior, UAM

Prof. Matthew Fuchter (University of Oxford)

Prof. Jana Roithova (Radboud University)

Prof. Christof Sparr (University of Basel)

Prof. Stephen Fletcher (University of Oxford)

FACULTAD
DE **CIENCIAS**

Departamento
de Química Orgánica

Chairmen: Tomás Torres and Javier Adrio

PROGRAMME

10-10:15 h: Opening Ceremony: Welcome by Tomás Torres and Javier Adrio

10:15-11:15 h: *Buchi Lecture:*

Matthew Fuchter (University of Oxford)

Conjugation, chirality and optical activity

11:15-11:45h: Coffee break

11:45-12:45 h:

Prof. Jana Roithova (Radboud University)

Mass Spectrometry in Catalysis Research

12:45-15:00h: Lunch

15:00-16:00h: *Lilly Lecture:* Chairman, Carlos Mateos

Prof. Christof Sparr (University of Basel)

Stereoselective Formation and Opening of Aromatic Rings

16:00-17:00h: *GalChimia lecture:* Chairman, Elena Sandoval

Prof. Stephen Fletcher (University of Oxford)

Chelation in asymmetric catalysis: regioselective and enantioconvergent Suzuki-type reactions
