**Nomination deadline
(for partner institutions)**

Fall semester and full year: **April 1 – April 30**

Spring semester: **September 1 – September 30**

Nominations must be done through an online form. The link to the online nomination form will be e-mailed to our partners.

**Application deadline
(for incoming students)**

Fall semester and full year: **May 1 – May 31**

Spring semester: **October 1 – October 31**

Students must follow the 2-step registration process through SIGMA platform. Once the registration has been completed by the students, the IRO will accept the requests and students will receive their admission letter in approx. 3 weeks after registration.

Step 1: User registration: Click the [link](#) to register. It is crucial that you use your valid passport number (without spaces, dots, or dashes), as this will appear on the admission letter necessary for processing your visa. It is important to remember that to ensure the correct processing of the information, each time you need to provide your passport number for procedures at UAM, you must do so without spaces, dots, or dashes.

Course information

You can find the **official course offer** on our website (click [here](#))

By selecting one of our degrees, it will show you the corresponding courses, ECTS, prerequisites, language of instruction and its syllabus.

There are some **restrictions for incoming students:**

- First-year courses are not open to incoming students (group codes X1X)
- Asignaturas transversales are not open to incoming students
- Courses belonging to Coopera programme are not open to international students. (Group codes XX9)

For your convenience we have created a list of the “**course catalogue**” for incoming students that can be found on our website. The updated file for upcoming year will be published in June.

<https://www.uam.es/economicas/internacional/movilidad-estudiantes-entrantes>

IMPORTANT: Due to the limited spots in English-taught courses, we recommend students to have a minimum level of Spanish (B2) so they can attend our Spanish-taught courses as well.

Information about **online course enrolment** process will be sent to incoming students in June/July for first semester courses and **November/December for second semester courses**. You must pay close attention to this process as this is the only guarantee you have regarding your courses **prior** to your arrival.

Can students combine courses from different faculties?

Yes, but 51% of ECTS must be from our faculty. Other faculties courses can only be requested during the first week of classes through an online form. Admission to their courses is subject to availability of spots and can only be confirmed 3 weeks after course start date.

Can students combine Bachelor and Master courses?

Only Master students can combine Bachelor and Master courses. Admission to Master level courses (5th/6th year at UAM) requires submission of an additional application (see our FAQs document)

Master courses

How do I apply for Master courses?

If you wish to study our master-level courses at UAM (5th / 6th year), you must send in the following documents before **June 15**, for first semester students or **November 15** for second semester students to ori.economicas@uam.es

1. Curriculum vitae
2. Transcript of courses taken at home university
3. Motivation letter and courses you wish to take
4. Language certificate B2 Spanish/English
5. Proof of being a Master student at home university

Click [here](#) for our Master degrees and courses

Your application will be evaluated by the corresponding Master coordinator at UAM. The IRO cannot intervene in this decision. Approval will be subject to your academic history, profile, and

availability of spots in the courses. In case of non-acceptance for the master courses, you can take our 4th year Bachelor courses.

Bear in mind that the master programmes can have **different** course start and end dates, so please check their website carefully.

Learning Agreement

Unfortunately, UAM is not ready to receive your OLA through EWP yet, so if you need your Learning Agreements signed, it must be done through (scanned) paper-based documents. Our faculty does not need your Learning Agreement upfront as you will need to take part in the **course selection process** in July for first semester courses and in December for second semester courses. Only **after your official course enrolment** in SIGMA (matricula), your academic coordinator at UAM can sign your Learning Agreement.

The instructions on how to get your Learning Agreement signed are published on our website.

<https://www.uam.es/economicas/internacional/movilidad-estudiantes-entrantes>

If you are an exchange student from a non-Erasmus+ institution, please follow the instructions received from our main office SERIM: serim.movilidad@uam.es

Extension of period

Deadline for requesting extension of mobility period at UAM is **November 15**. Only first semester students can request to stay the full academic year. Approval from both home university and faculty is required before November 15.

Internship during mobility period

You can only be registered for internship once you have found a company that accepts the internship programme. Incoming students don't have access to the offers UAM receive for their own students.

Transcript of Records

At the end of your stay with us, you and your home university will receive your official Transcript of Records. This document contains a csv code (secured verification code) for third parties to check the validity of the document. Pay attention to the "**cierre de actas**" date as this date will change the status of your grades from "provisional" to "confirmed".

Academic calendar (calendario académico) [here](#)

Attendance certificate

You must follow the instructions sent by our Central office (SERIM) (at our on-campus Plaza Mayor) on how to download your attendance certificate. Documents signed by any other office lack validity and won't be communicated correctly to your home university. You will receive instructions per e-mail regarding this issue.
