Nomination instructions	Nominations must be submitted via our <a href="#">portal</a> by the specified deadline.

<b>Orientation program</b>	<p><b>Fall semester:</b> 1st week of September</p> <p><b>Spring semester:</b> 2<sup>nd</sup> week of January</p>
<b>Study program</b>	<p><a href="#">Courses taught in French</a>   <a href="#">Courses taught in English</a></p> <p><b>Credit points for full-time students:</b></p> <p><b>30 ECTS</b> per semester. A duly filled-out and signed learning agreement is mandatory.</p> <p>Academic Coordinators from both sides can agree on a less-than-30-ECTS mobility. In that case, the student must provide a duly filled-out and signed learning agreement stating the number of ECTS.</p> <p>Student Mobility Office and/or the Academic Coordinators can refuse a mobility if there is a significant imbalance between inbound and outbound exchanges or if the level of the student does not meet the requirements.</p> <p>Our L1 courses are not open to our exchange students.</p>
<b>Language requirements</b>	<p>No official test is required. However, we recommend a minimum B2 level in either English or French, depending on the language of the selected courses.</p> <p><b>Exception:</b> Undergraduate applicants wishing to join the Physics Department must demonstrate a minimum C1 level through a recognized exam (TCF, DELF or DALF)</p>
<b>French language courses</b>	<p>The Faculty offers <a href="#">French language classes</a>. These classes are free for exchange students and organised as semester courses, intensive seminars during the first week of each semester, or intensive summer courses.</p>
<b>Grading system &amp; Transcript of records</b>	<p><b>Grading system</b> The Faculty of Science and Engineering uses number grades, 20-point grading scale with 10 being the passing point.</p> <p><b>Transcripts</b> Students must ask their <a href="#">Academic Coordinators</a> at the Faculty of Science and Engineering to provide them with their official transcript at the end of their courses.</p>
<b>Housing</b>	<p>The Faculty offers a range of accommodation options in different student residences across Paris. A limited number of rooms are reserved specifically for international exchange students. In addition, the International Division can provide guidance for accommodation.</p> <p>For more information : <a href="#">Housing</a> <a href="mailto:sciences-dfipve-bmi-logements@sorbonne-universite.fr">sciences-dfipve-bmi-logements@sorbonne-universite.fr</a></p>
<b>Student life</b>	<p><a href="#">Campus entertainment</a> <a href="#">Student association</a> <a href="#">Health &amp; disability</a> <a href="#">Art &amp; culture</a> <a href="#">Sports</a></p>
<b>Erasmus+ Traineeship</b>	<p>Erasmus+ Traineeships at the Faculty of Science and Engineering must be arranged directly with a department, laboratory or research group. Students are responsible for initiating contact with the appropriate professor or <a href="#">research group</a> and for organizing the details of their traineeship.</p>
