HOW TO REACH THE UNIVERSITY OF CALABRIA

By Plane

The nearest air terminal is Lamezia Terme airport, also called Sant'Eufemia. Daily connections exist from Milan (Linate) and Rome (Fiumicino) to Lamezia Terme. This airport is at one hour's distance from Cosenza, which can be reached both by bus (with an expense of about 5 Euro),

and by taxi (with an expense of about 50 Euro).

By Train

The railway stations in Cosenza and Castiglione Cosentino / Rende (the nearest railway station to the university campus) are well connected to the main train station in Paola (18 min.) which, in turn, is connected to Rome and Milan by fast trains.

By Coach

There are daily connections, from Monday to Saturday, from Rome (Stazione Tiburtina) to Cosenza (Stazione Autolinee), done by private companies.

By Car

The most important road connection with Cosenza is the "A-2" motorway (Autostrada A2 del Mediterraneo). The university area is located less than 1 Km away from the "Cosenza Nord-Rende" exit. Exiting the motorway, we suggest taking the road for "Paola" and following the road indications for the "Università".

By Bus

The university campus may be reached by university buses leaving each hour from the "Stazione Autolinee" (bus station) in Cosenza and calling nearby the railway station of Castiglione Cosentino, in the town of Rende.
