INFORMACIÓN PARA ESTUDIANTES ENTRANTES

Bienvenidos a la Facultad de Psicología de la UAM

Si vas a venir a estudiar a la Facultad de Psicología de la Universidad Autónoma de Madrid a través de un programa de intercambio (Erasmus+, SEMP, Convenio Internacional, CEAL, SICUE, Visitantes), aquí puedes ver la información más importante para poder tener una estancia exitosa.

- Before my arrival at UAM
- First days at UAM
- During my stay
- At the end of my stay

ACADEMIC INFORMATION

Important: Teaching at the Faculty of Psychology is predominantly in Spanish, with a limited selection of subjects taught in English. For this reason, it is recommended that mobility students have at least a B2 level in Spanish, and in any case, they must ensure that their Spanish skills are sufficient to carry out their academic work in this language. It is not necessary to provide a certificate proving a specific level of Spanish.
