The screenshot shows the website of the Facultad de Psicología at UAM. The browser tab is 'Facultad de Psicología | UAM' and the URL is 'uam.es/psicologia/inicio'. The page features a navigation bar with links to 'Biblioteca', 'Directorio', 'Español', and 'Información para...'. Below this, the 'Facultad de Psicología' logo is displayed alongside a menu with 'Estudios', 'Estudiantes', 'Internacional' (circled in green and labeled with a green '1'), 'Investigación', and 'Facultad'. The 'Internacional' section is titled 'Oficina de Relaciones Internacionales (ORI)' and includes links for 'Movilidad de estudiantes' (circled in green and labeled with a green '2'), 'Movilidad de PDI/PDIF', and 'Movilidad de PTGAS'. A 'CIVIS' link is also present. The bottom of the page features a banner for 'PSICOLOGIA' and three columns: 'Matrícula 2025/26', 'Información oferta posgrado', and 'Encuestas actividad docente'.

ACADEMIC INFORMATION

Important: Teaching at the Faculty of Psychology is predominantly in Spanish, with a limited selection of subjects taught in English. For this reason, it is recommended that mobility students have at least a B2 level in Spanish, and in any case, they must ensure that their Spanish skills are sufficient to carry out their academic work in this language. It is not necessary to provide a certificate proving a specific level of Spanish.

- Confirmation by email after the dealines expires. We will enrol you in the subject.

The screenshot shows a web browser displaying the 'Solicitud de asignaturas de otras Facultades 1º semestre - Incoming students UAM 2025-26' form. The form is titled 'Solicitud de asignaturas de otras Facultades 1º semestre - Incoming students UAM 2025-26'. It includes instructions in Spanish and English, a deadline of September 12, 2025, and a section for personal information with fields for '1. SURNAME / Apellidos' and '2. Given name(s) / Nombre'.

**From 27th January
Until 2nd February**

**! Complete the
form once per each
course requested**

LEARNING

Each course has:

- Theory groups (1): Lectures (2 hours/week)
- Practical groups (2): Active student participation (1-2 hours/week). Subgroups are usually organised and assigned at the beginning of the semester.
- Tutorials: Check availability with the Professors.
