

INSURANCE DECLARATION

*International students who are carrying out internships, traineeships, placements or similar activities at the university are required to have insurance coverage for **medical assistance, accident and private civil liability** during their mobility period. These guarantees are usually offered as part of a travel insurance policy.*

Please also note that it is also highly recommended for them:

- *To ensure that the insurance coverage includes **medical transfers or repatriations** to their home country in case of illness or accident.*
- *To obtain the **European Health Insurance Card (EHIC)** in their home country, which also provides coverage for medical assistance in Spain.*
