Course Catalogue	Courses are listed by faculty and sorted by study programme and could found In the study plans of each department.
Course registration	Course registration upon arrival
Credits	YU does not require exchange students to obtain a minimum or maximum number of credits. However, we recommend that exchange students register for 12 to 15 credit hours (4 to 5 courses) per semester. Exchange students should consult their home university to check if specific requirements concerning the number of credit hours to be obtained during the stay at YU apply.
YU grading system	
Transcript of Records	Exchange students should ask for a Transcript of Records before/shortly leaving Jordan.

APPLICATION

Application process	The students apply through their home university by sending their learning agreement then we send them a letter of acceptance.
