Academic Information

Level/Courses/Programs offered (per agreement)	<p>Undergraduate and Graduate – FIU offers both Undergraduate (courses numbered 1000-4000 level) and Graduate courses (courses numbered 5000 or above).</p> <p><i>The terms of our specific agreement, as well as balance and availability, determine whether we can accept Undergraduate, Graduate, or both types of students from your institution.</i></p> <p>Please note that courses and programs in the College of Medicine and the College of Law are excluded from all exchange agreements. Courses in the graduate programs are limited.</p>
Course Load per semester	Undergrad: 12 credits minimum, 15 credits maximum (4-5 classes) Graduate: 9 credits minimum, 12 credits maximum (3-4 classes)
Credit System	FIU uses the Carnegie Unit system. In this system, most standard courses are 3 credit hours each.
Language of Instruction	English
Course Information	<p>Courses lists are available for review by college and department here: https://m.fiu.edu/catalog/index.php Please note course availability is very limited in the following departments: Finance, Accounting, Communication (Advertising, Journalism, Public Relations), Nursing, Nutrition and Dietetics. There are no Pharmacy courses.</p> <p>Additionally, certain courses are not open to exchange students, including, but not limited to:</p> <ul style="list-style-type: none"> • Graduate Business/Finance courses: Unless institution specifically has a Graduate Business exchange agreement. Even then, graduate business exchange places are part of professional programs and only available on a case-by-case basis. • Graduate Engineering & Mass Communication Courses • Capstone courses: These are reserved for graduating degree-seeking FIU students • Courses offered at “Virtual Undergraduate Campus”
Course Selection Procedure	Students submit course schedule request & proof of prerequisite completion, if applicable, to OEA. Once pre-requisite reviews are complete, OEA registers exchange students for courses. Proof of prerequisite completion is especially important for courses in certain departments (Business, Communications, Sciences, Computer Sciences/Information Technology, Social Work, Engineering, Education etc.).
