31980	Democratic Transition Processes in the Arab World	Second semester	6

School of Engineering – Graduate courses

Master's Degrees where all subjects are taught in English			
Master's code	Master's title	Duration	ECTs
745	Deep Learning for Audio and Video Signal Processing	1 academic year	60
767	Image Processing and Computer Vision	2 academic years	120

Faculty of Medicine - Graduate courses

Master's Degrees where some subjects are taught in English			
Master's code	Master's title	Duration	ECTs
728	Epidemiology	1 academic year	60
Subject's code	Subject's title	Subject's period	Subject's ECTs
33348	An Introduction to Missing Data in Epidemiological Research	Second semester	2
Master's code	Master's title	Duration	ECTs
811	Neuroscience	1 academic year	60

Subject's code	Subject's title	Subject's period	Subject's ECTs
34078	Neurobiology of Mental Illness	Second semester	3
Master's code	Master's title	Duration	ECTs
805	Bioinformatics and Computational Biology	2 academic years	90
Subject's code	Subject's title	Subject's period	Subject's ECTs
33080	Sequence Analysis	First semester	3
34012	Programming and Statistics in R	First semester	6

Faculty of Business and Economic Studies – Graduate courses

Master's Degrees where all subjects are taught in English			
Master's code	Master's title	Duration	ECTs
746	Quantitative Economic Analysis-QuEA	1 academic year	60

Faculty of Teacher Training and Education – Graduate courses

Master's Degrees where some subjects are taught in English			
Master's code	Master's title	Duration	ECTs
729	Attention to Diversity in Bilingual Childhood and Primary Education Centers	1 academic year	60
