**Puente
a la UAM**

A PATHWAY TO YOUR SUCCESS

Puente a la UAM is designed to support international students in preparing to meet the **admission requirements** of the Autonomous University of Madrid (UAM).

This **year-long program (September 2026 – May 2027)** combines intensive Spanish language instruction with preparatory courses that equip students to successfully complete the specific exams (PCEs) required for admission to **Bachelor degree** programs.

Once your **Spanish level** is assessed, you'll be placed in a **14-hour-per-week intensive language** course combined with PCE preparation courses. By the end of the program, you'll reach a **B2 level in Spanish** and develop a deeper appreciation of Spanish culture and university life.

Puente a la UAM in preparation for Undergraduate Studies

Dates: September 7th, 2026 until May 14th, 2027 (full academic year)

Price: 8000 .- €

Housing (Not included in tuition): The Study Abroad Office assists students with securing housing in student residences, shared apartments and/or host families.

COURSE OFFERINGS:

Language Training

- Intensive Spanish Language (A1–B2) — Both semesters
- Study Smart, Live Smart: Adapting to Life and Learning in Spanish Universities (Workshop 1st semester)
- SIELE exam preparation course + SIELE exam — 2nd semester

PCE Preparation Courses

- Mathematics for Social Sciences or Mathematics II — 1st semester
- Geography or Chemistry— 2nd semester
- Business Model Design or Biology — 2nd semester

Puente a la UAM combines theoretical and practical classes, communicative workshops, and activities both on campus and around the city of Madrid, encouraging active learning.

Students are guided by expert lecturers and supported throughout their adaptation process to the Spanish university system.

HOW DO I APPLY?

- 1) Complete the online application form
- 2) Submit the required documents
- 3) Contact studyabroad@uam.es to schedule your Spanish language placement test
- 4) Make the reservation payment (1200.- €)
- 5) Receive your admission offer and request your student visa appointment at the Spanish consulate closest to you.
- 6) Arrange housing before coming to Madrid (contact studyabroad@uam.es if you need assistance)

While participation in the Puente Program helps students prepare for university studies, admission to a Bachelor's program is subject to the university's standard requirements.

Timeline for admission to Bachelor degrees

- One year in advance, gather all necessary documents, have them translated and apostilled
- Recommendation: Use Homologation Student Services or similar services
- Dates for the PCE specific exams are in May and June
- Apply to any of the public universities of Madrid through the **DUM platform** in early June
